DHARMA NAGAR PARK

The image shows a screenshot of the Google Earth Pro interface. The main window displays a satellite view of an urban area with a yellow placemark labeled "DHARMA NAGAR PARK" in green text. The placemark is a yellow square with a yellow outline. The interface includes a search bar at the top left, a toolbar with various navigation and editing tools, and a sidebar on the left with sections for "Places" and "Layers". The "Places" section shows a list of locations, including "My Places", "Sightseeing Tour", and several "Untitled Path" entries. The "Layers" section shows a list of map layers, including "Primary Database", "Borders and Labels", "Places", "Photos", "Roads", "3D Buildings", "Ocean", "Weather", and "Gallery". A "Tour Guide" bar at the bottom of the main window displays a series of small thumbnail images representing different locations in India, such as Tamil Nadu, Bangalore, Bengaluru Urban, Coimbatore, Kerala, Erode, Tiruppur, Tiruchirappalli, and Mysore. A "Google Earth - New Placemark" dialog box is open on the right side of the screen, showing the name "DHARMA NAGAR PARK", the latitude "11°40'19.17"N", and the longitude "78°6'53.41"E". The dialog box also has tabs for "Description", "Style, Color", "View", and "Altitude", and fields for "Label", "Color", "Scale", and "Opacity".

AYYASAMY PARK

The image shows a screenshot of the Google Earth Pro interface. The main window displays a satellite view of a densely populated urban area. A yellow polygonal outline highlights a specific green area in the center, which is labeled 'AYYASAMY PARK' in yellow text. A yellow pushpin icon is placed at the center of the park, with the coordinates '11.659098, 78.178314' displayed next to it. The interface includes a search bar at the top left with the coordinates '11.659098, 78.178314' and a 'Search' button. Below the search bar are links for 'Get Directions' and 'History'. On the left side, there is a 'Places' panel with 'My Places' and a 'Sightseeing Tour' folder. At the bottom left, there is a 'Layers' panel with various options like 'Primary Database', 'Borders and Labels', 'Places', 'Photos', 'Roads', '3D Buildings', 'Ocean', 'Weather', and 'Gallery'. On the right side, a 'Google Earth - New Placemark' dialog box is open, showing the name 'AYYASAMY PARK', latitude '11°39'32.69"N', and longitude '78°10'41.90"E'. The dialog box also has tabs for 'Description', 'Style, Color', 'View', and 'Altitude', and fields for 'Label' and 'Icon' with color and opacity settings. At the bottom of the main window, there is a 'Tour Guide' section with a row of thumbnail images and labels for various locations: Tamil Nadu, Bangalore, Bengaluru Urban, Coimbatore, Coimbatore, Kerala, Erode, Tiruchirappalli, Tiruppur, and Salem.

ASHOK NAGAR PARK

The screenshot displays the Google Earth Pro interface. The main window shows a satellite view of a city area with a yellow bounding box around a specific location. A placemark is placed at the center of the bounding box, with the text "ASHOK NAGAR PARK" in green. The coordinates "11.687794, 78.132020" are displayed above the placemark. The search bar on the left contains the same coordinates. The "Places" panel on the left shows a "Sightseeing Tour" folder. The "Layers" panel on the left shows the "Primary Database" folder. The "New Placemark" dialog box is open on the right, showing the name "ASHOK NAGAR PARK", latitude "11°41'16.02"N", and longitude "78° 7'55.28"E". The dialog box also has tabs for "Description", "Style, Color", "View", and "Altitude". The "Style, Color" tab is selected, showing a green color for the label and a yellow color for the icon. The "View" tab is also visible, showing a scale of 1.0 and an opacity of 100% for the label, and a scale of 1.1 and an opacity of 100% for the icon. The "OK" button is visible at the bottom right of the dialog box.
